

## ***MORE SIGHTS & SCENES AT THE 2014 BOSHEARS SKYFEST***

In the last issue you saw some of the more common "sights & scenes" from the 2014 Boshears Skyfest held April 26 & 27. Here are some other interesting photos of happenings there you might have missed.

The RC modelers had an expansive spread showing off their aircraft.

"Arrrrgh" "Shiver me timbers!" Someone brought a Pirate aircraft!

On Saturday there was a car show with owners showing off their classic, vintage, and antique automobiles.

The owner of these is an ATF FFL machine gun licensee.

The Sid Brown family manned the EAA 172 tent much of the weekend.  
(While all of you were looking at the other Boshears' sights, this is what the Brown Family was doing.)  
Please thank Sid Brown and his family!
