

Royal Rangers at the Club Meeting

Jim McBurney brought a number of guests. They were members of the Royal Rangers group. According to James Ramsey, the Royal Rangers is a ministry that reaches across the United States and in over 65 nations around the world. It motivates boys spiritually through Bible study and memorization, devotionals, and Christian role models. Boys are strengthened mentally by an advanced awards-based weekly program. Further, the boys increase their physical prowess by participation in age-specific activities and recreation. Finally, they are introduced to church, community, and nature-related activities to develop their social skills and awareness.

The Life of a Royal Ranger includes great outdoor adventures through camping, water activities, hiking, rappelling, and mountain climbing, as well as challenging indoor adventures.
